---

Bills are mailed on the 25<sup>th</sup> of the month for the previous two months usage. They are due upon receipt and considered late after 16 days. A late fee will be charged.

Customers must be sure all water faucets are in the off position before it is connected. If the water is running it will be shut off and another service fee will be due to reschedule turn on.

There is a **\$30.00** Fee for returned checks, plus any additional charges assessed by the bank.

Customers will be noticed five days before water is shut off for non payment of bills.

If water is discontinued, there is a **\$45.00** reconnect fee.

---

The undersigned does hereby agree to abide by the rules and regulations of this Utility, and does guarantee payment of any and all indebtedness incurred
